

2008 Lone Star Dental Conference

September 5-6, 2008 • Omni Austin Hotel Downtown

FRIDAY LECTURES • *Lunch will be provided*

“To Metal or Not to Metal - Including Restorative Failures”

Presented by Bruce Small, DMD, MAGD

8:00 a.m. - 4:30 p.m. • 7 hours CE

Using 34 years of clinical experience Dr. Small explores the not often discussed topic of clinical failures. During this all new and very unique presentation Dr. Small courageously shows his restorative disappointments and explains possible reasons why they occurred and how he resolved them. More importantly with each case, he discusses how he would have done them differently today. Long term successes are also shown and evaluated. A must see course for the entire dental team.

SATURDAY WORKSHOPS

Oral Surgery for the GP • Presented by David L. Roberts, DDS

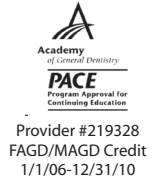

8:00 a.m. - 12:00 p.m. • 4 hours participation credit

In his hands-on workshop Dr. Roberts will present essential skills needed to perform and improve oral surgery skills of all molars.

Removable Prosthodontics • Presented by Van Ramos, DDS

8:00 a.m. - 12:00 p.m. • 4 hours participation credit

Dr. Ramos will show participants the differences between removable and fixed prosthodontics and cover treatment planning, including goals. Dr. Ramos will also discuss the various types and functions of removable prosthodontics.
